Which means even more benefits
to help sell your home.

As part of this global network of over 600 leading real estate firms with 5,000 offices and nearly 150,000 sales associates worldwide, Schwartz Property Sales brings you:

More buyers for your home: Our network does more referral business than any network — over 40,000 a year — which means more buyers coming to the Florida Keys from other parts of the country and around the world will be referred to Schwartz Property Sales.

Greater online reach: Our participation on RELOHomeSearch.com puts your home on the websites of over 600 firms worldwide. RHS targets specific consumers when marketing your home and is well-positioned on Internet search engines, driving more buyers from out of our area to see your home on our site.

Global exposure to HGTV's loyal audience: We will also showcase your home on FrontDoor.com, a powerful online venture powered by HGTV, which puts your home in front of its highly desirable audience of home enthusiasts.

A superior program for attracting luxury home buyers: Luxury Portfolio Fine Property Collection® is the luxury face of our network, with an award-winning website, www.luxuryportfolio.com, that features more \$1 million-plus properties than other luxury real estate organization. Each month, the site attracts visitors from over 200 countries to view extraordinary homes each displayed with a multi-photo slide show presentation.
